This is a SOLID WOOD product:

We inspect all wood, and follow guidelines to pass quality inspections. Solid wood furniture has knots, small cracks, and what may look like blemishes. These characteristics are a natural by product of producing furniture from natural material.

We take extra care with our drawer parts:

1. We use real wood drawers sides.
2. The drawer sides are not painted to help protect your clothes from chemical odors and residue.
3. Finely sanded drawer parts eliminate snags when storing your clothes.
